

An overview of the current parking and transport provision at Hillingdon Hospital

Car parking: There are five main car parks at Hillingdon Hospital with over 800 spaces. Currently, the charges apply 364 days a year, 24 hours a day

Electric charging points: There are two duals (double sockets) and two minis (single socket) charging points. The two duals and one mini are in staff car parking bays. One of the minis is dedicated to a public disabled parking bay

Shuttle bus: A shuttle bus service exists for staff, patients, and visitors who need to get between Hillingdon and Mount Vernon. This service runs approximately once an hour from the main entrance between 07:15 and 18:30.

Cycle parking: There are secured cycle parking spaces for staff, and unsecured parking shed for visitors accounting approx. 70 spaces. There is a Santander Bike station by the entrance A.

Public transport: The closest London Underground Station to Hillingdon Hospital is Uxbridge, approximately 3.7km to the north, equivalent to a 14-minute cycle. At Uxbridge, the Metropolitan and Piccadilly lines can be accessed. From there, the U1, U3, U4, U5 or U7 buses serve the hospital with a journey time of approximately 12 minutes. The closest railway station to Hillingdon Hospital is West Drayton Station, which is approximately 2.25 km south of the site, this equates to a 9-minute cycle or 26-minute walk. From West Drayton Station, the U3 or U5 bus serves the hospital with a journey time of approximately 11 minutes.
